

DECISION

28636
**THE COMPTROLLER GENERAL
OF THE UNITED STATES
WASHINGTON, D.C. 20548**

FILE: B-215487

DATE: June 27, 1984

MATTER OF: Sydnor Hydrodynamics, Inc.

DIGEST:

Procurement by the City of North Myrtle Beach, South Carolina using funds borrowed from the Farmers Home Administration is neither a federal procurement nor a procurement involving federal grant funds, and therefore protest of that procurement is not reviewable by GAO.

Sydnor Hydrodynamics, Inc. protests the Farmers Home Administration's (FmHA) refusal to ratify the City of North Myrtle Beach's decision to award Sydnor a contract to dig water supply wells, Project No. 02606.

Sydnor advises that the City is relying on a loan from FmHA to fund its project. We do not review protests such as this, as they involve neither procurements by or for an agency of the federal government nor procurements by federal grantees. Varnado Well Service, B-200185, Oct. 7, 1980, 80-2 CPD ¶ 250.

The protest is dismissed.
